## Cover letter:

Dear Sir,

I write to you with the intention of showing my interest and motivation for the post of "PHP and WordPress Developer". I have completed my BSIT with majors in software and web development from University of Education Township, Lahore.

I am confident that I can be an active, open minded and useful member of you team, willing to contribute during my Job. I have understanding of different concepts related to Web development, Database, and OOP as well as having good knowledge of different languages like HTML, CSS, jQuery and PHP. I reserve excellent skills in Microsoft windows operating system and troubleshooting.

My resume contains additional information on my qualification and skills. I can be available for an interview at your convenience.

Thank you for your attention.

Yours truly,

Ali Raza
